

JarPop™

**The world's easiest
to use jar opener!**

by **arista**
MANUFACTURING

Opens tight, vacuum sealed jars with little effort

- No more counter bangs, hot water drenches or wrestling to remove vacuum sealed lids
- Simply place the JarPop against the lid of the jar, and with a slight lift, the vacuum seal is released and the lid can be turned almost effortlessly
- Great item for everyone including people with arthritis or limited mobility in their hands
- Sold exclusively through Arista Mfg. Co.
